

Financial Plus Credit Union

SPECIAL OFFER: Credit Card Balance Transfer

Here's an opportunity to use a Financial Plus Credit Union Visa Platinum to pay off your other credit cards and charge accounts. You'll benefit by:

- 1. Saving Money on Finance Charges** - Have you looked carefully at the interest rate on your credit cards and other charge accounts? You might be paying an excessively high interest rate on your current credit accounts. Based on your creditworthiness, you could save money by transferring your debts to our low interest Visa Platinum credit card.
- 2. Smaller Monthly Payments** - You may reduce the amount of your total monthly payments by paying off your other credit card and charge accounts using a Financial Plus Visa Platinum.

It's easy! Complete the form below. Once we have received the completed form, your payment requests will be processed and mailed within three (3) business days. You must have sufficient available credit limit (the difference between your credit limit and the current balance).
